## Let Us Introduce the DLMD Ambassadors to You!

Keeping downtown Lexington clean and safe for employees, residents and visitors is the primary focus of our Block by Block

ambassadors.

Lexington's team of eight ambassadors carry out services that supplement those of the city government. They improve the appearance of downtown sidewalks and public areas, elevate the sense of security and help create an attractive and welcoming environment. They keep an eye out for situations requiring police or emergency services, and quickly communicate with the appropriate dispatchers.

Hours of the eight ambassadors are juggled, but you will see ambassadors out working from 6:30 a.m. to 7:30 p.m. Two workers focus on safety, four on cleaning, one on hospitality, and Executive Director, David Warren, does some of each job.

The ambassadors cover 35 blocks that are in the Downtown Lexington Management District. Block by Block was first hired to work in our downtown in 2016.

## Join Us in Welcoming Two New Ambassadors

We're thrilled to welcome two new ambassadors to the DLMD team, Deidreah Talbert and Tiara Nutter! We know these new team members will help us excel in keeping downtown Lexington safe, clean, and beautiful for all.

## The District

The Downtown Lexington Management District is a property tax improvement district responsible for improving the downtown area. It puts tax dollars to work to enhance downtown through beautification and safety. The goal of the District is to foster economic growth, renew interest in the area by businesses, residents, and visitors, and ultimately increase property values. You can find DLMD ambassadors in purple polos working to improve the downtown area every day to create a Safe Clean Beautiful Lexington.

As you may be aware, the Downtown Lexington Management District (DLMD) has been implementing improvements since May 2015. We want to thank you for your support, tell you about some of the District's accomplishments, and make you aware of some changes

that will enhance the District even more.

Beginning February 2017 Downtown Lexington Partnership (DLP) was contracted to begin managing the district. DLP is a membership-based organization working to promote Downtown as a unique and vibrant place in Lexington for business, residential life and entertainment.

If you have any questions, concerns, comments or ideas we want to hear them! The DLMD administrative office is located at 333 W. Vine St., Ste. 206, and can be reached at (859) 407-2227 or by email at [allen@downtownlex.com](mailto:allen@downtownlex.com).
